SHAPING THE FUTURE OF EU SECURITY RESEARCH: HORIZON EUROPE AND NATIONAL PROGRAMS

Johan Lindberg

Programme manager for national
co-funding of EU-programmes

Last year, we invested
310 million EUR
on innovations for the future

Swedish security research & innovation funding

- MoU with Civil defence and resilience agency on research & innovation
 - [Sweden is investing in strengthening civil defense | Vinnova](#)
- Civil-military synergies innovation program for civil-military synergies
 - Jointly with the Swedish armed forces
 - [Civil innovations must strengthen Sweden's defense capabilities | Vinnova](#)

The background of the slide features three European Union flags waving on flagpoles. The flags are blue with twelve yellow stars arranged in a circle. In the background, a large, curved building with a classical architectural style is visible, though it is out of focus. The overall color palette is muted, with a dark teal or blue tint over the image.
